

The San Diego band – Vic Fuentes (vocals, guitar), Tony Perry (guitar), and Jaime Preciado (bass) have steadily built a dedicated and diehard fanbase through touring and by nurturing an honest connection. PTV has truly established themselves through the RIAA Platinum certified single "King For A Day" which continues to showcase its virality on TikTok, The Top 5 Billboard charting "Misadventures" and their recent album The Jaws Of Life, which includes the #1 Alternative Radio hit "Emergency Contact." The band has tallied over 2 billion global streams, over 500 million YouTube views, and hundreds of thousands of TikTok sound uses - proving that growth is a constant for them. In 2024 PTV will be touring South America, the UK, Europe and the US opening for BLINK-182 on their headline tour.
