

WORLD'S FIRST CINEMA

BIO

World's First Cinema replicate the movie going experience in their music. The Los Angeles based duo—John Sinclair and Fil Thorpe—project a myriad of intimate emotions across widescreen soundscapes underpinned by scenes of alternative, indie, pop, and electronic. After amassing over 20 million streams and counting and earning widespread acclaim from WONDERLAND, EUPHORIA, Earmilk, The Line of Best Fit, and many more, the band conjure up a vision with blockbuster appeal and indie heart on their 2023 debut EP for Fearless Records, *Palm Reader*.
