

# AUGUST BURNS RED

## BIO

August Burns Red's tenth full-length *Season of Surrender* sees them craft an album that effortlessly integrates the brutal breakdowns of their classic era with instrumental flourishes. "This album is rooted in traditional August Burns Red and I think it's the heaviest album we've written in a long time," explains vocalist Jake Luhrs. From the technical mastery of "Behemoth" to the unbridled aggression of "Legions" (which features The Devil Wears Prada's Mike Hranica), *Season of Surrender* sees August Burns Red further developing their sonic identity while staying true to the band's roots as metalcore trailblazers.
